4. Form

The Bonds are issued in uncertificated book-entry form in VPC. No physical certificates will be issued. Title to the Bonds will be transferred by entry in Vp Accounts.

5. Repurchase

Should the Borrower during the term of the loan find that the Official Index has definitely ceased to be established or published, or that the rules for establishing or publishing such an index, cause the Official Index to be obviously misleading to the detriment of the Creditors in relation to the actual changes in consumer prices in Sweden, the Creditors are entitled within one month thereafter (Repurchase Period) to request that the Borrower repurchases the Bonds.

During the Repurchase Period the Borrower shall regularly offer to repurchase the Bonds at a price established by the Borrower on the basis of prices on Swedish bond market (Market-related Price). The Market-related Price offered includes accrued interest. Should a Creditor call for repurchase, the Creditor shall immediately indicate whether or not he accepts the offered price. If he does not accept this price, there will be no repurchase. The Creditor is not thereby prevented from once again calling for repurchase later during the Repurchase Period.

Information to the effect that the Borrower has decided to offer to repurchase the loan and on the Repurchase Period shall be sent to those who at the time of the decision are listed as Creditors and in the manner provided in Condition 8 second sentence.

6. Redemption and payment of interest

(a) Redemption Amount and Amount of Interest shall be paid to persons who are Creditors on the Date of Record.

In the absence of such election, VPC will on the due date for payment send the relevant amount in the form of a bank giro payment to a Creditor with a Swedish address and by a cheque to a Creditor with a foreign address at the address registered with VPC on the relevant Date of Record. If the due date for payment falls on a day which is not a Banking Day, the relevant amount will be credited or distributed on the next Banking Day. However, interest will only accrue up to (and including) the due date for payment.

(c) If any person to whom payment has been made in accordance with these Conditions, was not entitled to receive it, the Issuer shall nonetheless be regarded as having fulfilled its payment obligations. The condition shall not apply if the Issuer was aware that the amount had come into the wrong hands, or had failed to take the care and attention which under the circumstances should reasonably have been taken.

7. Prescription

The right to receive payment of the Redemption Amount of a Bond expires 10 years after the Redemption Date. The right to receive Amount of Interest expires 10 years after the relevant Interest Payment Date.
